## PRINCIPAL'S REPORT

Term 1 has been a productive term with the students settling in quickly and doing some great learning. It has been an absolute pleasure to see the students successfully working together in the classroom and being inclusive at break times, creating games all can be involved in.

The staff and students have been busy here at Rawson PS preparing for our Community BBQ and Open Night. The students are excited to share their school with the community and show them where they learn and play and all the fantastic things they do here. They are particularly looking forward to doing some baking next week that they will share and selling raffle tickets on the night for our Easter hamper.

We would like to thank the local CFA for the education session delivered last week, the students thoroughly enjoyed the experience.

We look forward to seeing everyone on Tuesday evening at our BBQ.

Happy Easter  
We hope all students and staff have a wonderful Easter Holiday

Everybody loves melted chocolate, and kids will love dunking berries, melon, grapes or any of their favourite fruits into it. You could even melt leftover Easter eggs, if you have them!
